## EXCLUSIVE LIST

At the Morehead Inn we always try to take the extra step to insure that your special event is the very best that we can deliver. Since we have chosen to limit our focus and specialize, we have selected the very best support network available for all of your related needs. The following groups have been selected to partner with us to deliver the very best in value and quality for all VanLandingham Estate clients. *We guarantee that our exclusive support team will deliver only the best.* However, to insure that our own quality of standards is always met, we allow only our exclusive vendors to work with our clients. This team is a result of our experiences and is intended to benefit all involved.
